Bio:

Michael Gerard Tyson was born on June 30th, 1966 in the rough Neighborhood of Brownsville, Brooklyn, New York. Mike was born to parents who did not show him the normal type of love parents usually do. His mother was very promiscuous, His father was a gangster. He has 3 siblings, two brothers, and one sister.

In the streets of Brownsville, New York, Mike would fight other kids in the neighborhood to fight for money. That is when he discovered he was a good fighter. His whole life was basically violent, which later on got him locked up at a young age. While incarcerated in a juvenile detention center he was visited by Mohammed Ali to talk to the troubled kids. Which inspired Mike in a way.

A couple months later he was transferred to a different juvenile detention center. Where he met a Ex Professional Boxer Irish Bobby Stewart.

Who taught him how to Box, then the ex professional Boxer took Mike to a well known Boxing trainer named Cus D'Amato who taught Mike his Iconic Boxing style.

Cus D'Amato turned Mike's life around and made him into a beast in his Boxing. Which later on inspired many other generations to become Boxers.

A Legend of the Sport!?

He has 3 siblings, two brothers, and one sister.

In the streets of Brownsville, New York, Mike would fight other kids in the neighborhood to fight for money. That is when he discovered he was a good fighter. His whole life was basically violent, which later on got him locked up at a young age. While incarcerated in a juvenile detention center he was visited by Mohammed Ali to talk to the troubled kids. Which inspired Mike in a way.

A couple months later he was transferred to a different juvenile detention center. Where he met a Ex Professional Boxer Irish Bobby Stewart. Who taught him how to Box, then

the ex professional Boxer took Mike to a well known Boxing trainer named Cus D'Amato who taught Mike his Iconic Boxing style. Cus D'Amato turned Mike Life around and made him into a beast in his Boxing Career. Mike Tyson won 50 of his professional fights by KO and 44 KO's within these wins. Now throughout Mike's career he had many trouble with the law, yet through those downs he got back up because he strived to fight again. Which later on inspired many other generations to become Boxers.
